WELCOME TO PARIS REGION, HOME OF BUSINESS OPPORTUNITIES

Paris Region Key Figures 2018 lays out a panorama of the region's economic dynamism and social life, positioning it among the leading regions in Europe and worldwide.

With its fundamental key indicators, the brochure "Paris Region Key Figures 2018" is a tool for decision and action for companies and economic stakeholders. It is useful to economic and political leaders of the region and to all those who want to have a global vision of this dynamic regional economy.

Paris Region Key Figures 2018 is a collaborative publication produced by Paris Region Entreprises, the Paris Ile-de-France Regional Chamber of Commerce and Industry and the Paris Region Urban Planning and Development Agency (IAU île-de-France).

PARIS REGION, A MAJOR GLOBAL BUSINESS HUB

Standing at the crossroads of European and worldwide trade, Paris Region is France's leading economic region and one of the world's foremost business hubs.

Its main assets:

- **A major global region** with the highest GDP in the European Union (EU28) in billions of euros: **30.3% of the French nation's GDP** and **4.5% of the EU28's GDP**, ahead of Greater London and Lombardy (Italy).
- The concentration of jobs, corporate headquarters, SMEs, technology companies, startups, world-class competitiveness clusters, foreign groups...
- Its **wide range of business sectors**, its deeply rooted industrial tradition, and one of the highest concentrations of activity in the science and technology sectors.
- A consumer marketplace of considerable importance: **12.1 million inhabitants** in the region, **9.1 million visitors** in the Region's main conference and exhibition centers, **44.9 million tourists**.
- A young and cosmopolitan population, and a highly qualified and productive workforce at competitive rates: **18.2%** of France's population, **26.4%** of students in France, **23.1%** of jobs in France, **35%** of French executives.
- **The #1 innovation hub in Europe** with the highest R&D spending and the largest pool of R&D workers.
- **Internationally renowned for excellence in education, science and technology** (top business, engineering and specialized higher educational institutions, Fields Medals, Abel and Nobel prizes, innovative companies).
- **World-class infrastructure**: Europe's second-largest airport; most efficient public transport system further reinforced by the Grand Paris development project; Europe's number one road network; second largest European river port (70 ports, 500 km of navigable waterways); an excellent broadband communication network.
- **A region in reinvention** with major infrastructure and urban planning projects.
- **The largest stock of commercial property in Europe**, and attractive, diversified and very competitive real estate, with new office districts and business parks, as well as the opening of coworking spaces, "startup factories"...
- **Global business event hub** for the MICE industry (Meetings, Incentives, Conventions, Exhibitions).
With 700,000 m² in exhibition space, Paris Region is **an outstanding world-class destination for tradeshow**s and Paris is **the world's leading destination for international congresses**.
- **A world-class destination for tourism**.

TOP 5 EUROPEAN REGIONS FOR GDP (MILLION EUROS IN 2015)

A MAJOR BUSINESS HUB IN EUROPE

1,054,827 companies

(INSEE, 31.12.2015, Commercial activities, excluding agriculture)

1,395,594 sites

(INSEE, 31.12.2015, Total activities)

178,500 businesses created

(INSEE, 1/18, data 2017)

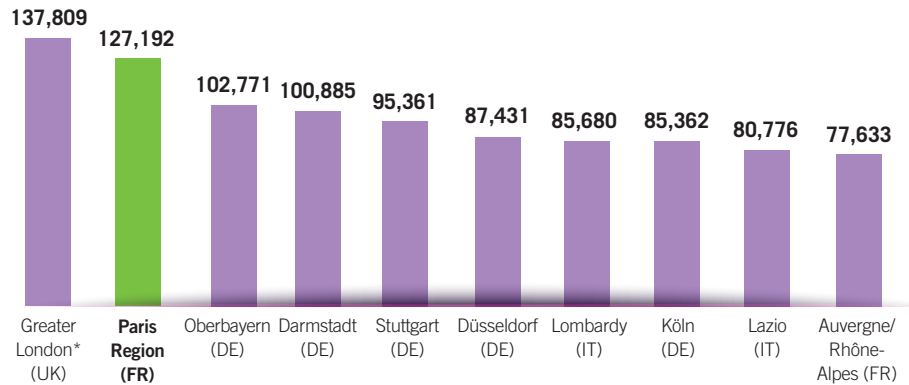

8-10 thousand startups

The primary strength of Paris Region's economy is the concentration of jobs, corporate headquarters, SMEs/SMIs and business startups.

All of France's very large businesses (> 1,500 employees each) have a site in the region.

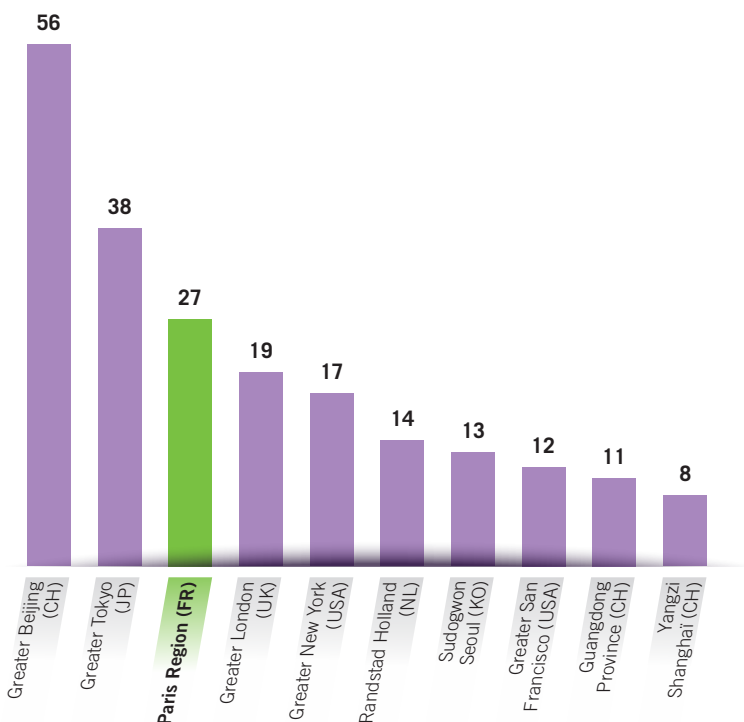

Paris Region is also the top French region in terms of hosting foreign companies and it accounts for over a quarter of all new business startups in France.

IAU ÎLE-DE-FRANCE

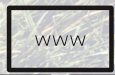

PARIS REGION URBAN AND ENVIRONMENTAL AGENCY

We help building sustainable cities

Digital transition, climate change, urban resilience, smart mobility, innovative ecosystems, sustainable development, collaborative economy, real estate... In a fast-changing world, IAU's 200 experts explore all dimensions of regional and metropolitan living to help local decision-makers improve the quality of life and plan for the future. Financed by Paris Region's authorities, IAU is Europe's largest urban agency and is active worldwide.
