RiConnect Rethinking mobility infrastructure to reconnect cities

Why do mobility infrastructure be rethought?

RiConnect Rethinking mobility infrastructure to reconnect cities

Because...

RiConnect Rethinking mobility infrastructure to reconnect cities

Result: a patchwork of mono-functional uses + congestion

An obsolete model

RiConnect Rethinking mobility infrastructure to reconnect cities

Hypothesis RiConnect

Why don't we rethink/reuse/recycle these obsolete mobility infrastructures to get a more dynamic, sustainable, equitable and attractive metropolis where everyone can interact with everyone and move freely regardless of their age, social rank and where they live.

Sustainable
Metropolis

Quality
Public Space

How

1. Reorganising how we move

3. Planning the metropolis

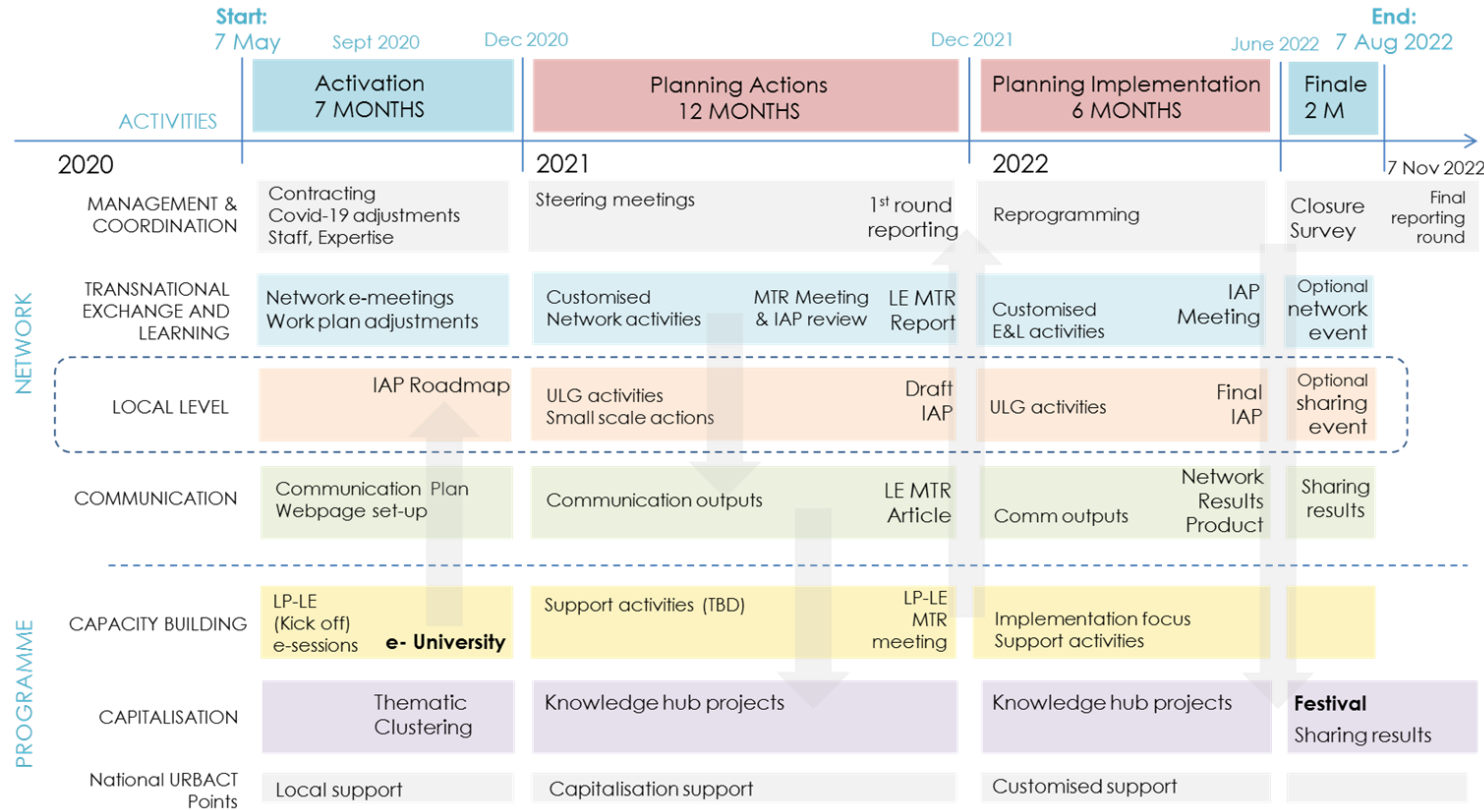

2. Integrating the infrastructure

4. Adding ecosystem functions
