

SET-UP IN PARIS REGION  
BUSINESS HUBS

About this map  
This map shows Paris Region main business hubs and economic landmarks. The most important places, facilities and establishments were selected, most of the time according to their size, sometimes their recognition, or their territorial impact. Only some entries (TGV stations, international airports) are exhaustive.

Paris Region key figures  
12.1 million inhabitants  
1,054,800 companies  
660 billion € GDP  
6.2 million jobs  
112,500 researchers  
678,200 students
